ABOUT US

We are a young team of Architects and Engineers based in Bengaluru. We work with our clients to create build environments that are functional, livable, contextual, sustainable and beautiful. We practice design as both practical and idealistic endeavor. Whether at the scale of architecture, landscape, interiors; we aim to solve everyday problems and explore new possibilities.

OUR PHILOSOPHY

MISSION

To provide innovative, efficient and sustainable solutions through exceptional client service.

VISION

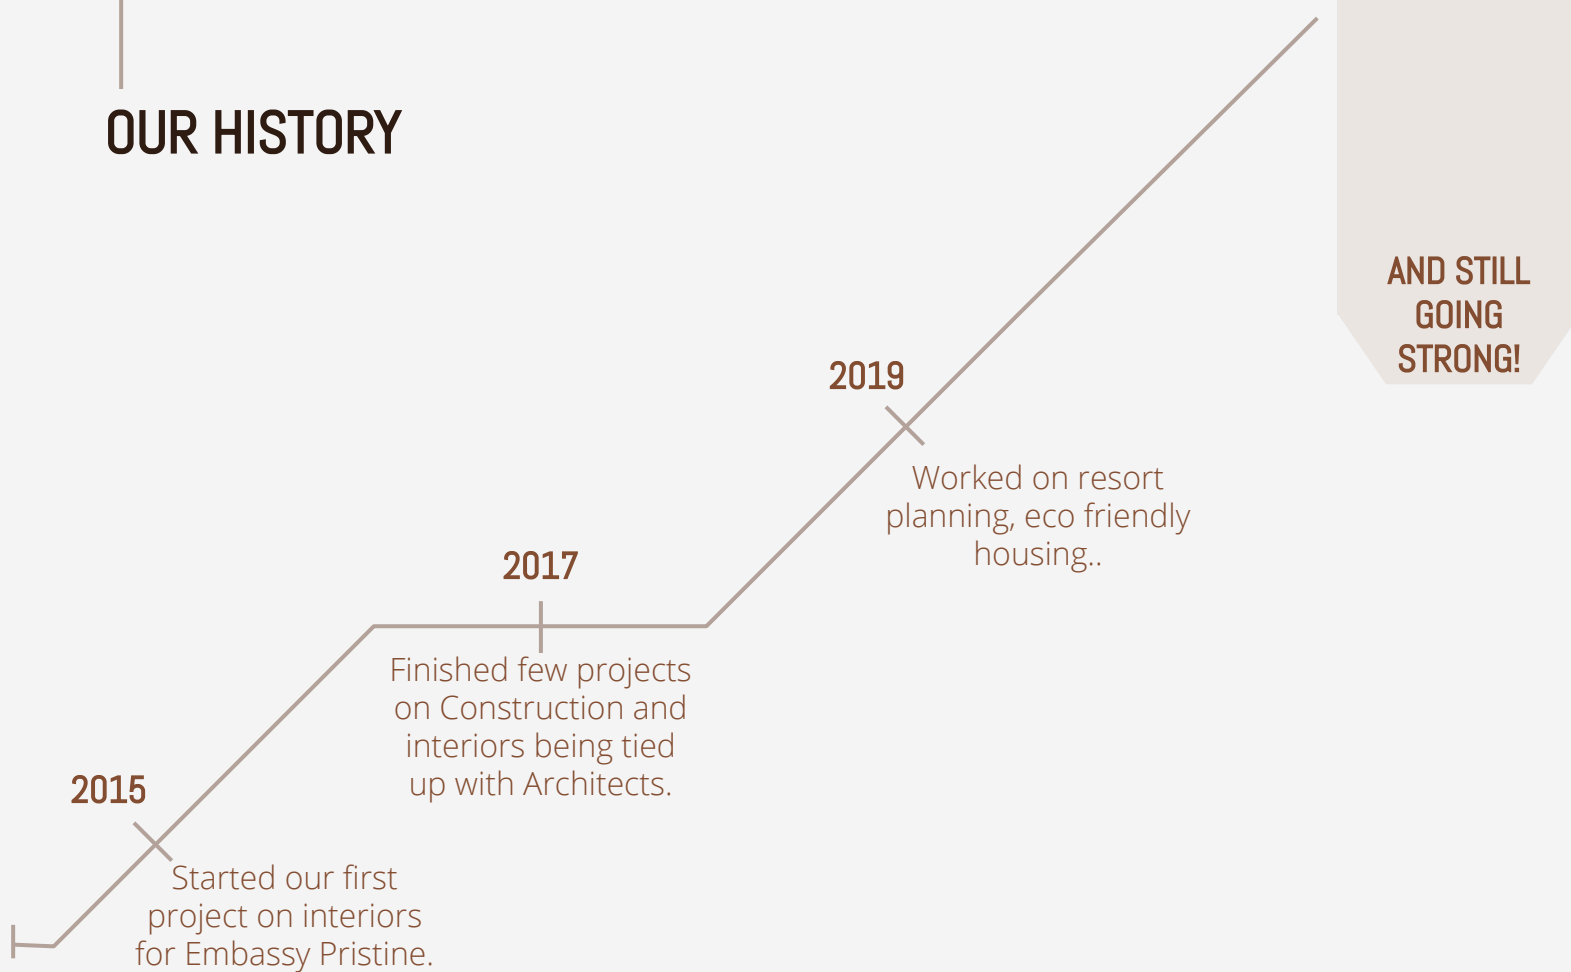

To be amongst the leading firms providing high quality design and services to our clients.

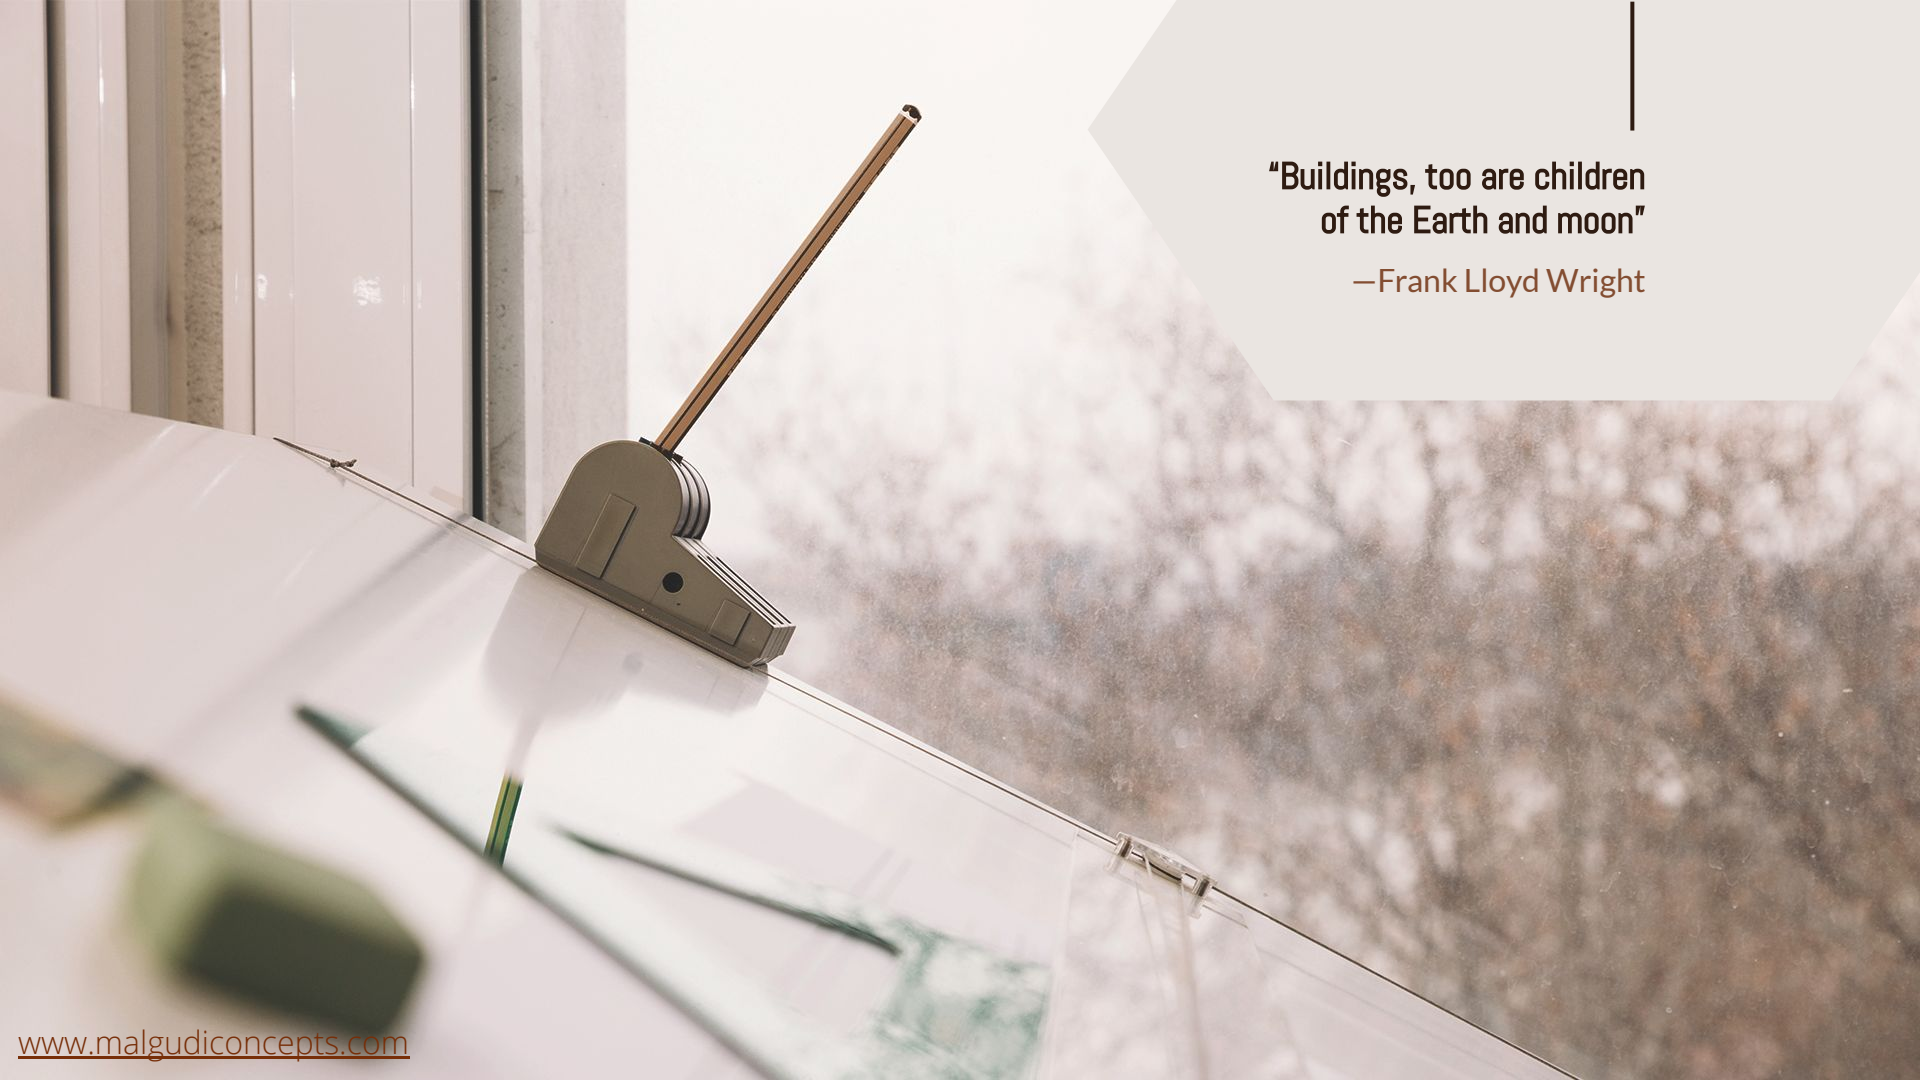

VALUES

Design excellence

OUR STRENGTHS

LOYALTY

Good buildings come from good people, and all problems are solved by good people - So are we.

RELIABILITY

The sun never knew how great it was until it hit the side of a building.

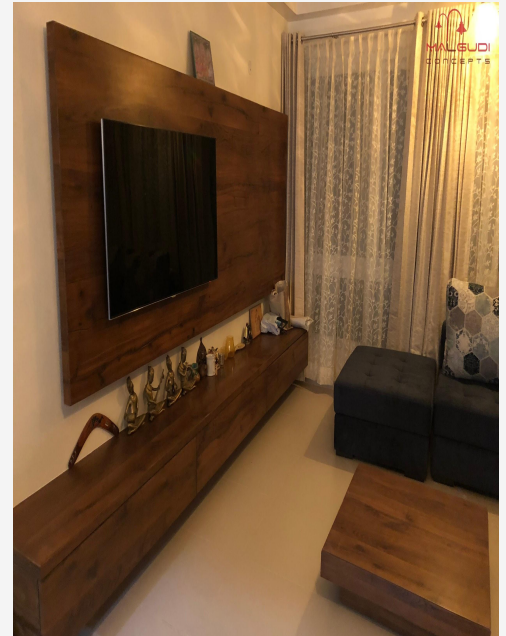

EFFICIENCY

You can dream, create, design and build the most wonderful place in the world. But it requires people to make the dream a reality.

COMMITMENT

We shape our buildings: thereafter, they shape us.

CUSTOMER TESTIMONIALS

Thank you for guiding us through the construction process, being kind, understanding, and always ready to accommodate our needs. We love our new space and know that it was built by the very best!

Mr.Satish

Malgudi Concepts has a great team, friendly relation, they designed the ideal house for my needs. It is a fantastic project, we are very happy!

They were originally recommended to us by a friend and now we recommend them.

Mr. Sampath

We are totally pleased with your company, your people, and your subcontractors on the craftsmanship of your product. We to be totally satisfied with the building that you built for me two years ago.

Mr.Santhosh
